STRINGYBARK
PREMIER DECKING™

Why Pentarch Forestry's Stringybark Decking?

Manufactured & graded to Pentarch Forestry grade specification standards, providing a superior outdoor timber decking solution for your next project.

- A hardwood timber deck offers a sustainable and exquisite way to enhance your surroundings.
- With its timeless charm and durability, timber decking provides a comfortable and attractive feature that can be enjoyed for years to come.
- The natural warmth and versatility of timber brings an unmatched elegance to any outdoor area, creating a space where you can relax, entertain, and make incredible memories.
- Stringybark Decking is naturally termite, marine borer and fire resistant.
- Suitable for use in BAL 19 areas under Australian Standard AS 3959.
- Pentarch Forestry solid hardwood products have full chain of custody certification which meets the Responsible Wood Standard AS 4707.
