PREMIER  
DECKING™

# Why Pentarch Forestry's Premier Decking™ ?

Pentarch Forestry decking is manufactured from Australian hardwood species that have proven durability in Australian conditions.

- Unlike many imported products, Pentarch Forestry decking has a Quality Assurance system that ensures strict tolerances and drying procedures to produce a high quality product.
- Pentarch Forestry decking is Responsible Wood certified providing peace of mind that our decking is sourced from sustainably managed and legal forestry.
- The same timber species can be used for internal flooring and outdoor decking, to provide a seamless transition from inside to outside, expanding living areas or to create an outdoor room.
- Blackbutt and Spotted Gum have a natural fire resistance. Their fire retarding properties make them suitable for use in many bushfire prone areas under Australian Standard AS 3959.
- Australian hardwoods can easily be finished with a clear decking oil or stain. Alternatively the timber can be left to weather to turn an attractive silver grey. After timber has weathered it can be restored to its original colour by resanding and coating.
- Building codes, the product installation guide and Australian Standards should be adhered to when building with Pentarch Forestry decking.
- Pentarch Forestry solid hardwood products have full chain of custody certification which meets the Responsible Wood Standard AS 4707.

## Applications

### Decking

- Decks
- Screening
- Fences
- Gates
- Seating

### Commercial Decking

- Boardwalks
- Pedestrian and Light Vehicle Bridges
- Loading Docks
- Grandstands

## Standard Sizing

### Decking

64 x 19mm, 86 x 19mm, 130 x 19mm  
90 x 22mm\* and 134 x 32mm\*

\*Selected species only

### Commercial Decking

135 x 32mm

## Species

Available in a range of species including:

- Blackbutt
- Forest Reds
- Grey Gum
- Ironbark
- Red Mahogany

- Spotted Gum
- Stringybark
- Tallowood
- Turpentine
- White Mahogany

Not all species are available in all sizes. Other species may be available on request.

## Grades

Standard and Better

## Lengths

Random lengths up to 5700mm

Sustainably Grown. Australian Made.

Note: Variations within a timber species are normal, therefore photographs, samples and displays can only be indicative of colour and should not be used for final selection. It is normal for natural timber products to react to changes in atmospheric and environmental conditions such as humidity and temperature.
